Auctioneer's Note

A foundation is what is required to build a good permanent business, building or cattle herd. It is my opinion that this is the procedure Mr. Loughlin has tried to follow in selecting his herd sires over the past years. It all started in 1937 in Viking, Alberta and since that time, cattle have found their way from this herd to the United States, Alberta Government Testing Stations, farmers and ranchers throughout Western Canada. With this in mind, it is our privilege to sell these cattle to the highest bidder and to invite you to attend this sale at our sales pavilion in Killam, Alberta.

Yours truly,
Otto Streberg.

Personal Invitation from Clem Loughlin

It is with regret that I must offer this herd for sale, but as I am now 77 years old I have decided to retire from raising Shorthorn Cattle and take life easier at my hotel in Viking. The improving of my Shorthorn herd over the past 25 years has been the biggest thrill in my career in the livestock industry. There are many cows in my herd that carry pedigree rich enough to produce champions at any show in Canada.

I would like to welcome you to view the cattle at the farm anytime before the sale and to attend on November 10, as I feel these cattle should be an asset to any herd.

Yours truly,
Clem Loughlin,
Phone 336-3372, Viking.

TERMS OF SALE

1. Animals will be sold singly or in lots to the highest bidder.
2. The auctioneers will settle any dispute regarding bids by declaring all bids off and reselling the animal in question.
3. Animals sold in this sale will be fed and cared for until the day after the sale, but at purchaser's risk and will be turned over to the purchaser for shipment as he may direct. Arrangements may be made, if desired, to have the cattle cared for up to two weeks after the sale.
4. Terms Cash. Parties unknown to this company, desiring to settle by personal check, should bring letter of identification from their banker.
5. Certificates of Registration on each animal will be transferred to the purchaser on Canadian Shorthorn Records.
6. Cattle will be sold in compliance with the health laws of the Province of Alberta. The herd is in a tuberculosis and bronchitis free area.
7. Announcements from the auction block shall take precedence over printed material in the catalog.
8. Killam Auction Market (owned and operated by Camrose Auction Co. Ltd.) acts only as agent for Mr. Clem Loughlin in this sale.
9. The sale will begin 10:00 a.m., Monday, November 10, 1969.
